

Members

I'm happy to report another fantastic year here with a very pleasing profit of \$852,357.

The club's community support this year has increased to over \$100,000 in donations to community organisations, schools and sporting groups as well as our staff personally participating in events to raise funds and awareness for much needed charity groups.

As most of you will know a number of staff attend the CEO sleepout to raise money for the homeless and for the 2017 event we raised over \$5,500.

For the first time this year we participated in the toy run charity and I would like to take this opportunity to thank not only the staff but our members for donating so many gifts to this great event. The total gift donation was valued at over \$5,000 and this put a smile on many underprivileged children's faces at Christmas.

Our project for 2018/2019 will be a major renovation of the bistro, main lounge area of our premises with an addition of a mezzanine bar on level one.

To the board of directors, I would like to thank you for your continued support of the management team here at the Diggers. The financial results we have achieved not only this year but over the last 10 years would not have been achieved without the dedication and passion you have for the club and the community.

Our members - The strong financial results and community projects can only be achieved by the continued support from you –thank you and we look forward to another great year in 2018.

Cathy Handcock
