

Treasurer Report 2017

My report at this time will be the last due to the restructuring of the Board of Directors. In doing so it is pleasing to report to you, the members a marginal increase of trading which resulted in a profit as shown in the financial statements which is much better than the last that was presented.

These pleasing figures can only be achieved by the continued patronage and interest by you the members and also the conscientious attitude by the senior staff, the girls in the office and of course all staff on the floor whose working friendliness is appreciated by all.

A handwritten signature in cursive script, reading "Peter W Keane". The signature is written in black ink and is positioned above the printed name.
